

**BD77**

Shop Front Shutters

# BD77 Aluminium Shop Front Shutter by Birkdale.

BD77® has built in autolocks, when the door is closed a spring clamp device holds

BD77® is made of Aluminium. Unlike Steel this door will not rust and looks much more attractive.

## Standard colour option

White or silver curtain

For other curtain options please check our selection of curtain laminated colours (see page 6).

Box and guides can be powder coated in any RAL colour for a small extra cost.

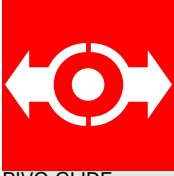

White full box

White guides

WHITE/SILVER

BD77<sup>®</sup> curtain is finished in white or silver colour as standard with the optional extra of laminated colours and woodgrain finishes (see page 6).

PIVO-GLIDE

Behind the BD77<sup>®</sup> cover there are special sliding end brackets, enabling the curtain to be fed straight into the tracks as the shutter unrolls, thereby reducing wear and scuffing of the curtain edges.

5  
year  
warranty

STRONGER

BD77<sup>®</sup> is an impressive 7 Kg/m<sup>2</sup> making it much stronger when closed

INSULATED

The BD77's impressive 15mm thick curtain acts as a sound barrier. BD77<sup>®</sup> is thermally insulated to  $K=4.3 \text{ W/m}^2\text{K}$ .

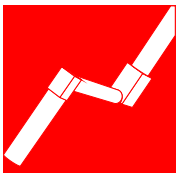

SAFETY BRAKE

BD77<sup>®</sup> has a safety brake to comply with stringent European laws, keeping you safe and legal.

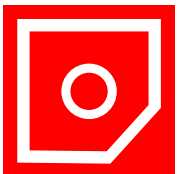

ACCESSORIES

Remote control with two handsets are supplied as standard.

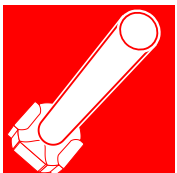

MANUAL OVERRIDE

External manual override in the event of a power failure.

FULL BOX

BD77<sup>®</sup> has full box is included as standard in the price. This prevents accidental finger entrapment and finishes the door off nicely. The fully box is in one piece with no unsightly rivets and no sagging unlike with steel hoods. This comes finished in white and can be powder coated any other colour as an optional extra.

TUBE MOTOR

Powered by high quality tube motor with manual override and five years warranty.

### Laminate Coating

Our in house laminating machine can create some fantastic finishes which are impossible to create with a normal paint finish. This is also a tougher finish with a 5 year warranty (see page 6).

### Shutter Prints

Utilise the space on the BD77® box by adding graphics (see page 6) or for an even bigger impact advertise your products on the curtain.

\*Small imperfections may appear on this product. This is normal and is excluded from warranty.

### Keypad / Keyswitch

For access without the need to carry hand transmitters.

### Battery Back Up

Add the battery back up and never worry about power failure again, winding a crank handle. Just carry on using it as normal and wait for power to return.

## Quality control

BD77® is CE marked to BS EN 13241-1:2003. The principle European standard identifies all the critical health and safety considerations within the design and manufacture of the product. This gives resellers, users and consumers the necessary reassurance that they are purchasing a safe and reliable product.

Our products are manufactured under an ISO:9001 Quality management system, assuring you that your door is monitored from start to finish.

Our products are manufactured under an ISO:14001 environment management system assuring you that we monitor and reduce our carbon footprint wherever possible.

Shutter Prints

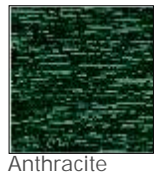

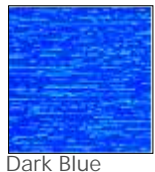

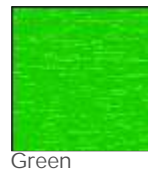

Use valuable space for advertising your products by adding graphics. For a small cost add them on the box or create an even bigger impact and add our Shutter Prints®. We can even design your artwork.

Curtain standard colour options

Curtain solid laminated colours option.

Curtain woodgrain laminated colours option.

## Extruded Aluminium Security Roller Shutters

These are the perfect compliment to our shopfront shutters. Manufactured from double wall extruded aluminium lath. The special design provides great strength and is extremely compact, allowing it to roll into a small aluminium box with 45° chamfered edge to minimize their visual impact, ideal for domestic and commercial properties.
